

Homeland Security Trade Mission to India, 24 - 28 November 2019

The Department for International Trade's Defence & Security Organisation (DSO), in association with the British High Commission Network in India, invites you to join the UK's Homeland Security Trade Mission to India 2019.

India's Homeland Security requirements offer a £2.2 bn¹ market opportunity to private industry having experienced exponential growth led by increased export demand and investment.

The Centrally Armed Police Forces have witnessed double-digit growth in budgetary allocation for procuring state-of-the-art machinery, equipment and vehicles. State Police Forces are adapting to technological advances by focussing heavily on ambitious digital policing programmes.

This four day mission will take you to key locations identified by DSO India as the core of India's Homeland Security market including the national capital - New Delhi, its financial capital – Mumbai, and its fastest growing tech-hub - Hyderabad.

The programme offers a unique opportunity to engage with target customers identified by extensive
